

TAURANGA Primary School

CAMP Year 6 Letter 1

Dear Parents/Caregivers

We will be travelling to Totara Springs Camp, near Matamata, for our 2017 Year 6 camp, leaving school at 9:00am on Wednesday the 6th of December, and returning to school approximately 2:30pm on Friday the 8th of December. We will be travelling to and from camp by bus.

Camp costs are \$210 per student. This covers travel to and from camp, two night's accommodation, food and all activities. We have applied for a grant to help with camp costs, which could reduce the amount students need to pay if our application is successful. We cannot rely on our grant application being accepted and we will not know the outcome of this until the end of September.

Camp payments (including part payments) can be made via the School Shop (register and pay through the School Shop tab on the TPS website. Please contact the school office if you have difficulties with this).

If the grant is successful, refunds will be made based on the new reduced figure.

There is the opportunity for you and your child to raise funds towards their camp costs by selling chocolates. For each box of chocolates sold you will raise \$24 toward your camp costs. This is optional. Below is a form for you to indicate if this is an option you would like to take up.

At this stage there will be a cost of \$50.00 for parents attending. This will cover parents' accommodation and food for the three days. A separate letter asking for parent support is attached.

Kind regards,
Tracey Kerr-Aim
Cathy Ediker
Alex Mustard
Kylie Rae-Bidois
Ann-Marie Morris
Kat Gilbert-Tunney

Chocolate Fundraising

Boxes of 24 chocolate bars can be provided to families who are interested in fundraising for camp. Each box sold will generate \$24 profit that will go directly towards your child's camp costs. Only children who have a signed permission form will be issued with chocolates. This is an **optional** opportunity that was successful in 2016.

My child _____ Whanau Group _____ would like to sell chocolates as a fundraiser to assist with their personal camp costs. I understand that we are liable for all products in our care, and we understand that unsold part boxes cannot be returned. Chocolates will be issued on the 12th of September.
